

201 PIAZZA

A brand new gem, located in the heart of the vibrant De Waterkant, provides sleeping space for a maximum of 4 people in a modern, comfortable and well-appointed environment.

The interiors are distinctly modern, with the extensive use of a variety of timbers ensuring that the interiors are not too "clinically minimal". Modern finishes and fittings compliment the spatial quality of the interiors. Views are maximized, over Cape Town Harbour. Only the best appliances are available in the purposely designed kitchen, which is designed to facilitate easy holiday living.

De Waterkant has become extremely fashionable and has maintained, and even accentuated, the colourful, bright terrace houses restoring them into stylish properties that together with the cobbled tree-lined streets and spectacular views, brings in mind London's Notting Hill.

It is a perfect base from which to explore the buzzing markets at the V&A Waterfront, the pristine beaches of Clifton and Camps Bay and the lively Cape Town night life.
